"When you want an immediate self exhausted experience, go deeply inside yourself to your essence and reach the lightness of your own being. - Satkirin Kaur Khalsa

PERSONAL SUMMARY

Yogi Bhajan personally appointed Satkirin Kaur to teach the science of chanting the Naad of Kundalini Yoga. Having studied intensively with the master, for over 30 years, she embodies an authentic approach filled with wisdom and humor. Satkirin is also known and loved for her 18 chanting albums which are landmarks of Kundalini Yoga classes across the world. As a Kundalini Yoga specialty teacher of the Aquarian Academy, she delivers a deep experience and understanding of how to accurately chant. Through inspiring stories, and vocal kriyas, Satkirin will guide teachers and students to bridge the mind and body, and cultivate harmony and grace. Her focus will give you the experience of how Naad and rhythm work together to calibrate your ten bodies for the experience of bliss, fulfillment, and elevation.
